Chinese Medical Equipment Exhibition 2026 (Belarus)

12-15.5.2026

24, Pauliny Medelki str.
Minsk, Republic of Belarus

The **HEALTHCARE** International Medical Forum is the largest review of the latest achievements of medical science and health care, organized under the auspices of the Ministry of Healthcare of the Republic of Belarus, which is traditionally attended by Belarusian and world medical and pharmaceutical industry leaders, developers of new technologies of diagnosis.

The **BELARUSMEDICA** International Specialized Exhibition is the main country's fair in the field of medicine and healthcare. For 30 years it has been attracting huge numbers of participants from Belarus, Russia and other countries, who see the exhibition as a key event to demonstrate new achievements and developments, to communicate with physicians and hospital administrators, to meet partners and potential customers.

Welcome to participate in the biggest Belarusian medical forum!
